MOTION BY SUPERVISOR DON KNABE

November 23, 2004

Once again, this December 50,000 lights of hope will illuminate the Los Angeles County Children's Courthouse as part of the Friends of Child Advocates' 7<sup>th</sup> Annual "Give the Light of Hope to a Child" celebration. This celebration, on Saturday December 4, from 4-6 p.m., which includes a Family Fun Festival, culminates with a moving ceremony which pays tribute to the Court Appointed Special Advocates (CASA) volunteers and the children they serve. Each of the 50,000 lights are sponsored with donations to support children under County jurisdiction. Because of the public benefit,

**I, THEREFORE MOVE THAT** the Board of Supervisors waive the cost of the use of the Children's Courthouse at \$250 and the associated parking fees in the amount of \$4 per vehicle, excluding the cost of liability insurance.
